

SENATOR LANDIS: Senator Day.

SENATOR DAY: Thank you, Mr. Speaker, and members, this bill just allows 3,000...a little over \$3,000 to be used to change the rules and regulations for the Physical Therapists Act.

SENATOR LANDIS: No lights. Closing, Senator Day? No closing. We'll move to a vote on LB 448A. Those in favor vote aye. Those opposed vote no. Are there those who are present who have not cast a ballot who are desirous of doing so, allowing us to take final disposition of this measure one way or the other? The virtue of doing so is that it would forestall the beginning of the use of calls of the house which interminably slow down the process and make the work of the Legislature slower and yet not more deliberate. Senator Day.

SENATOR DAY: I think our last vote is coming in here, if we can hold for a minute. Call of the house with call-in votes accepted.

SENATOR LANDIS: Mr. Clerk. The question is, shall the house go under call? Or do we have...ch. Record, Mr. Clerk.

ASSISTANT CLERK: 16 ayes, 0 nays to go under call.

SENATOR LANDIS: We are under call. Senators, please return to your seat. Call-in votes are accepted for LB 448A.

ASSISTANT CLERK: Senator Bohlke voting yes.

SENATOR LANDIS: Mr. Clerk.

ASSISTANT CLERK: 25 ayes, 0 nays on the motion to advance LB 448A.

SENATOR LANDIS: Thank you. The motion is successful. The bill is advanced. We will move to the next measure, LB 759, introduced by Senator Abboud. Mr. Clerk.

ASSISTANT CLERK: LB 759 is introduced by Senator Abboud. (Read title.) The bill was read for the first time on January 19th, referred to the Business and Labor Committee. That committee reports the bill to General File with no committee amendments.

SENATOR LANDIS: Senator Abboud, with no committee amendments,
